5 lb.	10-0944	Qty 10

Stain removal from fabric and carpeting: Scrape off excess putty with a dull knife or metal spoon. Spray with WD-40 and let stand a few minutes. Respray; wipe off stain with cotton balls. Wipe remaining residue with damp sponge or cloth moistened with dish soap. To remove from hair: Massage baby oil or smooth peanut butter on the area containing the putty and gently run a comb through it.
