

RESOLUTE™ STRENGTH

Dual Adjustable Pulley III

RUD0915

The Resolute Dual Adjustable Pulley elevates the functional training experience for every body. It seamlessly blends a modern, refined design with a comprehensive set of features requested by today's exercisers. Engineered for durability, it exceeds expectations and can handle even your strongest athletes. Illustrated instructions, a multi-grip pull-up bar with integrated access steps, and single-hand pulley height adjustment all contribute to a user-friendly and versatile workout.

RESOLUTE™ STRENGTH

Dual Adjustable Pulley III

RUD0915

Product Features

PATENT PENDING DURABILITY

New patent pending cable ends, replaceable wear guards where you need them, and stainless steel cable column keeps the unit in top condition.

4:1 CABLE RATIO

Higher speed training and greater cable travel for more diverse movements.

ABOVE AND BEYOND

Designed to exceed expectations, the Illustrated instructions, the multi-grip pull up bar with integrated steps for easy access, and single hand pulley height adjustment elevate the exercise experience for every body.

A PLACE FOR EVERYTHING

Integrated storage shelves and hooks cleanup and expand your functional training area.
