## Fabric Loop exerciser

- Convenient, pre-cut fabric loops arrive ready-to-use; no need to cut and tie before exercise, saving valuable clinic time and ensuring consistent resistance
- Premium woven fabric provides superior durability and a soft, comfortable grip against skin
- Latex-free construction eliminates allergy concerns while maintaining optimal elasticity
- Non-slip texture prevents rolling or bunching during use, allowing patients to focus on proper form and technique
- Available in 3 lengths to perform upper, lower and full body exercises:
 

**8" loop\*** is designed for upper body exercises and targeted rotator cuff therapy.

**12" loop\*** is ideal for lower body exercises and hip stabilization work.

**18" loop\*** is sized for full body (core) exercises and postural training.

\*Lengths represent loop when flat
- Each size is available in 8 color-coded resistance levels; sold individually and in 3 piece sets
