FOR CHIROPRACTIC USE • N°1 PAIN RELIEVING SPRAY IN THE US

KOOL 'N FIT® Pain Relieving is a powerful, effective, and all-natural analgesic spray, that has become the standard in chiropractic treatment. Design to control the patient's pain, it also increases blood flow and relaxes muscles spasms, thus swelling and stiffness are reduced, range of motion is increased, and a feeling of

well being is generated. KOOL 'N FIT® is used worldwide by health professionals and elite athletes for almost four decades all around the world.

It's fast, it's easy, it's works!
Ideal for use within 24 hours of strenuous activity or injury. No touch, no stain, and no rubbing in.

Fast Acting Pain Relief from:

- Back, Shoulder, Neck Pain
- Sore Muscles & Joints
- Arthritis
- Calf Strain
- Restless Legs ...
- and much, much more!

PAIN RELIEVING SPRAY!

ENJOY A
**BETTER
LIFE**
WITHOUT
PAIN

FEEL THE RESULTS IN MINUTES! Apply before bedtime to prevent restless legs and to relax muscles for better sleep. **KOOL 'N FIT® Pain Relieving** is used during chiropractic, physical and massage therapy to relax the muscles, increase circulation and promote healing. Relieves minor aches and pains from arthritis, backaches, sore muscles, sprains, over-exertion and fibromyalgia.
