

Accelerate recovery, reduce pain, and improve performance with new Mueller® Revive™ Compression Technology.

Mueller Revive Compression Technology speeds up the recovery process by accelerating the body's natural circulation with precise levels of personalized pressure. Reduce pain and improve performance before, during, and after all levels of physical activity with Mueller Revive compression sleeves and Console. Part of the RecoveryCare® Product Line.

M2 Gear Pack

M2 Console specifications:
-2.2 lbs / 0.9 kg
-8.2 in (L) x 7.8 in (W) x 3.5 in (H) /
20.8 cm x 19.8 cm x 8.8 cm
-2 year warranty

M4 Gear Pack

M4 Console specifications:
-4.2 lbs / 1.9 kg
-8.6 in (L) x 6.7 in (W) x 5.1 in (H) /
21.8 cm x 17.0 cm x 12.9 cm
-2 year warranty

WIDE & PRECISE PRESSURE RANGE

Precise pressure setting in lower ranges for comfort during post-op or after acute injuries. Upper limit prevents dangerous vasoconstriction

FAST CYCLE TIME

20 cycles in 20 minutes, providing 2-5 times more compression sequences per treatment than some other brands

SMART TECHNOLOGY

A full & rapid pressure release between compression cycles is needed to maximize lymphatic uptake and promote blood flow

- Adjustable pressure range (20-100 mmHg) provides optimal compression
- Overlapping chambers for complete, precise gradient compression
- Fast & Effective cycle, more cycles and full air release each time
 - Medical-grade coated, easy to clean garment material
 - Up to 8 hours of battery life per charge

Do more than recover, REVIVE™

Enhanced bottom of foot air chamber for increased comfort

Revive[™] Full Leg Boots
(Small, Medium & Large)

Small garments for easy transportability

Revive[™] Calf Boots
(OSFM)

Adjustable flaps for universal foot positioning

Revive[™] Full Pants
(OSFM)

Extended length for hip and leg treatment

Adjustable straps for universal treatment

Revive[™] Half Jacket
(OSFM)

Built in suspenders for treatment support

Revive[™] Core
(OSFM)

Three zipper options for various sizes

Adjustable strap for secured, universal treatment

Revive[™] Arm Sleeve
(OSFM)

Revive[™] Backpack

Compression Garment Specifications:

- Lightweight
- Easy to clean medical grade coated material
- Durable, biocompatible material
- 4 internal overlapping chambers
