

MOUNT-IT!

MI-7997 & MI-7997BLK

Height Adjustable Rolling Laptop Desk

Whether you're sitting, standing, writing, drawing, or dining, our height-adjustable laptop desk offers unparalleled flexibility and convenience. With just a press of the foot pedal, its built-in pneumatic spring system effortlessly adjusts the desk's height and the smooth-rolling wheels allow you to conveniently move the desk from room to room.

- Spring-assisted height adjustment between 29.6" & 44.2"
- Compact design fits seamlessly into small spaces
- Available in white and black
