

Push® med Neck Brace

Offers secure but comfortable neck support

- Provides firm, anatomically-shaped support using semi-rigid foam
- Includes an attachable component for additional support that rests on the breastbone (sternum) and the jaw
- Can be used without the component for lighter support (when sleeping or later in the healing process)
- Is easily applied and removed, and is machine washable on gentle cycle at low temperature
- Creates soft, comfortable feel and wicks moisture through the Sympress™ microfibers

Indications

- Whiplash
- Minor acute neck injuries
- Post-operative support
- Herniated cervical disc
- Cervical arthritis
- Degenerative disc disease

Measuring / Sizing

Measure around the neck as shown, as well as the height of your neck from below your earlobe to just above your collar bone.

Please note that you should consult a trained professional for fitting and customization. BraceLab cannot accept brace returns that have been worn or altered.

3 1/8" (8 cm) Height			4" (10 cm) Height		
SIZE	INCHES	CENTIMETERS	SIZE	INCHES	CENTIMETERS
1	10 1/2 - 14 1/8	27 - 36	1	10 1/2 - 14 1/8	27 - 36
2	14 1/8 - 18 1/8	36 - 46	2	14 1/8 - 18 1/8	36 - 46
