ELASTIC ANKLE SLEEVE

The Swede-O® Elastic Ankle Sleeve provides light support for mild injuries and aching ankles; gentle compression helps reduce inflammation. The seamless, ventilated material contours to the natural shape of the ankle for comfort during extended use. Discreet under clothing; bilateral design fits right or left ankle.

INDICATIONS FOR USE

Use the Elastic Ankle Sleeve after injury or to protect your ankle from future injury. This ankle support provides light compression to the ankle to help prevent and relieve aches, pains, sprains, and other ankle conditions.
